Subject: Baggage Update: BG50412 Has Been Delivered

Dear Omar,

Good news - your baggage BG50412 is recorded as delivered.

Baggage tag: BG50412
Flight: FL210 (CAI to LHR) on 2026-09-19
Current status: Delivered
Last known location: London Heathrow Airport - Carousel 7 (updated 2026-09-19 21:15)

What happens next: Our records show that this baggage has already been delivered, so no claim has been created. If you believe it is damaged or items are missing, please report it at the airport baggage service office or reply with photographs.

Policy reference (Section 8 - Baggage That Was Already Delivered): No claim is created for baggage whose status is Delivered. If a passenger believes the delivered baggage is damaged or items are missing, the passenger must report this at the airport baggage service office or contact customer support with photographs.

Kind regards,
AeroResolve Baggage Support (prototype)
